FILMING NOTICE

Heart Mountain Store

Scenes for a new television series entitled "Dark Cargo" will be filmed in your neighbourhood on Monday, April 15, 2019. Dark Cargo is produced by local Calgary production company Seven 24 Films, the same people that produce Heartland, Wynonna Earp and JANN. Dark Cargo will be broadcast on YouTube Premium. This letter is intended to inform you of our activities.

You will start noticing activity in and around our location starting early on the morning of April 15, 2019. We will be preparing the Heart Mountain Store for filming. The store and gas pumps will be completely closed to the public while we are there.

In the afternoon of April 14, our production work trucks will arrive and park along the Southside of Heart Mountain Drive from Windridge Road to Pigeon Mountain Drive. We will not block access to any of the roads along Heartland Mountain Drive, alleyways or driveways. There will be No Parking signs put up prior to our arrival. We will have security on duty throughout the evening of April 14.

Filming will begin at approximately 9:00am on Monday, April 15, 2019. We will be filming both inside and outside of the Heartland Mountain Store. We will be finished filming at this location at approximately 3:00pm Monday, April 15, 2019. Please note that we may have to stop traffic and pedestrians along Heart Mountain Dr, Mt Allen Drive, Windridge Rd and Hwy 1A (both directions) for 3 to 5 minute intervals during the filming day.

We will be wrapping the location on April 15, 2019.

If you have any questions or concerns please call or email me. On behalf of the Alberta crew members and our guests from out of province, we thank you in advance for your patience and cooperation.

Sincerely,

J. Ben Owens - Location Manager
