TERMS AND CONDITIONS

Approval from the Municipal District of Bighorn No. 8 (Municipality) is conditional and is subject to the following:

1. Construction must be completed within six (6) months of the of issuance of the Permit.
2. Approval is based on the contents of the Application, and the Site Plan which is attached as a separate Schedule to the Permit.
3. The Approach shall be constructed in full accordance with the Municipality’s Driveway Approach Policy T-25 and “Driveway Approach Standards”.
4. The Permittee shall indemnify and hold harmless the Municipal District, its employees, directors, councillors and agents from and all claims, demands, actions and costs whatsoever that may arise directly or indirectly from anything done or omitted to be done in conjunction with the construction of the Approach.
5. The Permittee shall comply with all relevant bylaws, legislative and regulatory requirements of any governmental or other competent authority related to the work and shall receive all other necessary approvals and authorizations.
6. The Permittee shall identify and receive approval of companies having any utilities, facilities or infrastructure in proximity to the work; and is responsible for all utility relocations and damages to utilities.
7. All costs shall be at the complete expense of the Permittee.
8. The Municipality shall be notified 48 hours prior to constructing the Approach.
9. The Municipality shall be notified within 72 hours after constructing the Approach.
10. A Final Inspection will be conducted by the Municipality within ten (10) working days for general compliance with this Permit, weather conditions permitting.
11. The Permittee shall warranty the construction of the Driveway Approach for a twelve month (12) period following Acceptance by the Municipality.
12. Acceptance by the Municipality does not relieve the Permittee from their obligations and responsibilities related to the development of the Approach.
13. Other terms and conditions of the Permit.
